

For more than three decades, I have practiced in this court. I know its procedures. I know its challenges. I know the attorneys, the staff, and the community partners who work tirelessly to support our youth. Most importantly, I understand the weight of the decisions made there - decisions that can shape a child's future forever.

YARGER FOR JUDGE

Please honor me with your vote May 5

www.TeamYarger.com

Early Voting starts April 7

EVA YARGER

**FOR VAN WERT COUNTY JUVENILE/
PROBATE JUDGE**

**PLEASE VOTE
REPUBLICAN PRIMARY
ON MAY 5**

Paid for by Team Yarger

Martha Balyeat, Treasurer

About Me:

I was born in Van Wert County and I came back to start my career here after law school. From a young age my father, a local Highway Patrol officer and WWII Navy Veteran, instilled in me a respect for justice and pride in service to our local community. My mother, whose family helped originally settle Northwest Ohio, nurtured my conservative family values. Together with my brothers and sister, I grew up appreciating Northwest Ohio and believing I could make a positive impact.

I attended the Ohio State University, graduating cum laude with a political science BA. I completed my law degree at Arizona State University in 1989. Eager to begin making a difference, I returned to Van Wert to begin practicing law as a private attorney, public defender, and child support attorney. I became an assistant prosecutor in 1997 and I have been the elected prosecutor in Van Wert County since 2017.

My Qualifications:

With nearly 36 years as an attorney working in Juvenile and Probate Court, in both private and public practice, I am qualified and prepared to be the Judge of the Juvenile and Probate Division of the Van Wert County Common Pleas Court.

My career has included the following:

- assisting children in cases of abuse, neglect and dependency**
- prosecuting physical and sexual abuse of children on the felony level**
- prosecuting adult felony cases and appeals including rape, gross sexual imposition, domestic violence, drug trafficking and possession, and theft**
- prosecuting juvenile delinquencies including bindovers to adult court**
- family law including custody and visitation**
- wills, trusts, and estates**
- guardianships and adoptions**

**Please vote in the
Republican primary
May 5**

Since I became an attorney in 1989, my career has focused on helping families and children, handling some of the most difficult and emotionally charged cases our system sees
- child abuse, neglect, and juvenile delinquency.
